REMARKS

The Applicants greatly appreciate the time that Examiners Patrice Winder and Thu Ha T. Nguyen spent with the undersigned patent attorney on June 2, 2004. The meeting was quite productive in advancing the present patent application.

As discussed during the meeting, "one or more information providers" has been changed to "plurality of information provides" in the pending claims, to clarify the language. Also, the step of "storing the transmitted aggregated content at the client computer" (slightly modified from the Examiner's suggested language, in order to maintain proper antecedent basis) has been added to claims 14 and 22, to mirror the language of the other claims.

In view of the foregoing, and as discussed with Examiners Winder and Nguyen, the present patent application is now deemed to be in condition for allowance. Applicants therefore respectfully request withdrawal of the rejections and allowance of the application. If the Examiner believes further discussion of any issue would expedite allowance, the Examiner is encouraged to telephone Applicants' undersigned representative.

A Credit Card Payment Authorization Form PTO-2038 authorizing payment of the fee of \$110.00 for a one-month extension of time for a large entity under 37 C.F.R. § 1.17 is enclosed. This amount is believed to be correct; however, the Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 14-0629.

Respectfully Submitted,
